Mayor Healy Announces Reinstatement of Hudson Community Enterprise Employees at the JCIA Services Had Been Terminated Due to Budget Cuts

JERSEY CITY – Mayor **Jerramiah T. Healy** announced today that 31 **Hudson Community Enterprise** employees working under contract with the **Jersey City Incinerator Authority** will be reinstated. The administration will be providing the necessary funding to the JCIA budget to keep the employees working until June 30, 2010.

The employees, who handle litter patrol operations including sweeping sidewalks and the curb line on secondary streets, work five hours a day, five days a week and are paid \$8.00 an hour.

“These employees do a great job for the Incinerator Authority, and we felt we had to do everything we could to keep them employed, at least until the end of their contract,” said **Mayor Healy**. “Not only do they help keep the streets clean, this job offers them a positive outlet.”
